# Curtain Dividers

Curtain Dividers are a quick easy solution to divide any space. All curtains are available with or without a mesh top, 100% flame resistant fabric, and rustproof metal grommets at top of curtains.

## SIZES

Any width, heights up to 9'

## FINISH

Solid fabric, solid or clear vinyl

## FRAME

Ceiling mounted track

# Venue Divider

Venue Dividers separate personal space between seats and workstation clusters. Integrated textiles and perforated acoustic panels add another layer of privacy.

## SIZES

48", 60" or 72" high x 36" or 48" wide

## FINISH

Glass, markerboard, fabric

## FRAME

Aluminum, choice of 4 colors

# Mobile Divider

## Mobile Space and Venue 3 Leg Mobile Dividers

Mobile dividers with a combination of locking and non-locking casters for easy moving and securing.

## SIZES

54" - 72" high x 36" - 72" wide (Venue only 60" max width)

## FINISH

Glass or white markerboard

## FRAME

Metal

Mobile Space Divider - Clear Glass
