Theater Stage Curtains

Stage Rigging Equipment

In August 2009, Golterman & Sabo acquired Volland Studios, a St. Louis-based stage curtain/track company. Volland Studios provided beautiful stage curtains to hundreds of St. Louis/Metro East theaters since the mid 1800's. Golterman & Sabo is carrying on this tradition by supplying the same high-quality service and knowledge that Volland established in the industry.

Golterman & Sabo is a premiere dealer for Automatic Devices Company (ADC) and JR Clancy.
